From \$343,300

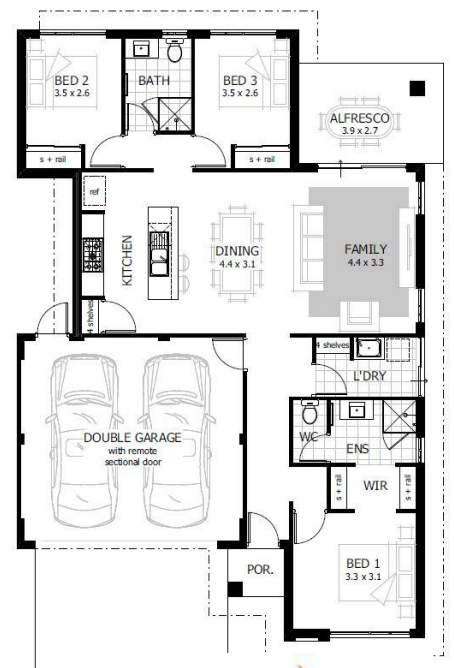

Lot 89 Coburg Way, Springtime

Leo by Celebration Homes

The Leo shows us all that small can still mean mighty! The master bedroom is located at the front of the home, so you're nicely tucked away from the kids who are at the rear. This house & land package is also ideal for pre-family couples, with a future Primary School planned within the estate - within walking distance of this homesite.

- Stone benchtops throughout
- Hobless showers
- Glass splashback to kitchen
- Make it a turnkey Package for \$357,260! (Inc. carpets, tiles, internal painting & blinds)
